Capital Campaign Memorial Wall

It is time to put up another Plaque on our Memorial Wall at the Holland Road entrance. Some inscriptions have been submitted, but we only have about half of those we need for a complete Plaque. Anyone who contributed $500 or more to the capital campaign by completing a pledge, making a gift, or contributing to the monthly Capital Campaign Collection (pink envelopes) can have an inscription included on the Memorial Wall. The form below can be used for submitting an inscription. Anyone who has not submitted an inscription for a gold leaf is encouraged to do so and these will be submitted for inscription at the same time. Any inscriptions submitted by June 1 will be included.

If you have any questions about your inscription, call Cas Ilenda in the Drexel Center at **(215) 357-5720.**

Please write your memorial in the spaces, one character or space per block, and return the entire page (with the donor's name) to the Drexel Center. For inscriptions on the plaque, use 2 lines. For inscriptions on the gold leaves, use 3 or 4 lines.
